AGENDA FOLLOWS:
8:00 Meet and Greet Coffee

8:30 Welcome and Opening Context

- George Strawn, Board Director, Board on Research Data and Information, The National Academies of Sciences, Engineering, and Medicine
- Bonnie C. Carroll, CODATA/ICSTI Data Citation Task Group and CEO, Information International Associates, Inc.
- John Boright, Deputy Executive Director, Policy and Global Affairs Division, The National Academies of Sciences, Engineering, and Medicine

9:00 Setting a baseline / Keynote - Data Sharing: Some Cultural Perspectives

- Marcia McNutt, President, The National Academy of Sciences

9:30 Authors and Data Centers

Moderated by Bonnie C. Carroll, Information International Associates

- Michael B. Bellamy, Physicist, Center for Radiation Protection, Knowledge & Chair, Early Career Professionals at Oak Ridge National Laboratory (ORNL)
- Anne L. Washington, Assistant Professor, Organization Development and Knowledge Management Program, School of Policy, Government and International Affairs, George Mason University
- Jared Lyle, Director of Curation Services, Inter-university Consortium for Political and Social Research (ICPSR)
- Giri Prakash, Data Service and Operations Manager, ARM Climate Research Facility, Oak Ridge National Laboratory (ORNL)

10:30 Break

10:45 Editors and Publishers

Moderated by Ester Sztein, National Academy, Research Board on Data and Information

- Brooks Hansen, Director, Publications, American Geophysical Union
- Helena Cousijn, Senior Product Manager Research Data, Elsevier and Publishers Early Adopter Group
- Erika Pastrana, Editorial Team Leader, Nature Communications
- Howard Ratner, Executive Director, CHORUS, (for STM Publishers on Scholix Framework for Linking Data and Literature)
11:45  Tools and Connections
    Moderated by Franciel Azpurua-Linares, Information International Associates
    • Todd Vision, Data Cite and PI Dryad, Associate Director of Informatics, NESCent, Department of Biology, University of North Carolina at Chapel Hill
    • Megan Force, Digital Research Analyst - Physical Sciences, Data Citation Index, Thompsons Reuters

12:15  Lunch

1:00  Supporting Organizations Facing The Challenges Of Data Citation
    Moderated by Mark Parsons, Research Data Alliance
    • Mark Parsons, Secretary General of the Research Data Alliance (RDA) & Member, Earth Sciences Information Partnership (ESIP)
    • Tim Clark, Director of Informatics at the Mass General Institute for Neurodegenerative Disease, Assistant Professor of Neurology at Harvard Medical School, and Board of Directors & Founding Member of Force11
    • Joan Starr, EZID Program Manager, California Digital Library, and Member of Force 11
    • Cyndy Chandler, Researcher & Informatics Specialist, Woods Hole Oceanographic Institution, Research Data Alliance (RDA) Dynamic Data Citation Recommendations
    • Kerstin Lehnert, Director of Integrated Earth Data Applications (IEDA), Columbia University, and the Coalition on Publishing Data in the Earth and Space Sciences (COPDESS)

2:15  Perspectives/policies of Government Agencies
    Moderated by George Strawn, National Academy, Research Board on Data and Information
    • Jerry Sheehan, Assistant Director, Scientific Data and Information, Office of Science and Technology Policy (OSTP) (tentative acceptance)
    • Bob Hanisch, Director Office of Data and Informatics, National Institute of Standards and Technology (NIST)
    • Jennie Larkin, Senior Advisor for Extramural Programs and Strategic Planning, National Institutes of Health (NIH)
    • Chris Lynnes, System Architect on the Earth Observing System Data and Information System (EOSDIS), National Aeronautics and Space Administration (NASA)
    • Patricia Knezek, Ph.D., Senior Advisor, Directorate of Mathematical & Physical Sciences, (on detail to the Division of Advanced Cyberinfrastructure), National Science Foundation (NSF)
    • Carly Robinson, Senior Science Advisor/ Product Strategist, Office of Scientific and Technical Information (OSTI), Department of Energy (DOE)

3:30  Break

3:45  Reward/incentive Structures
    Moderated by Paul Uhlir, Consultant
    • Micah Altman, Director of Research, MIT Libraries; Head/Scientist, Program on Information Science, Non-Resident Senior Fellow, Brookings Institute
    • Dianne Martin, Vice Provost for Faculty Affairs at GW University

4:30  Open Discussion of What We Heard and What We Should Do Next
Discussion of Issues and Special Challenges to Further Promote Adoption of Good Citation Practices and Applications.

Moderated by: Cliff Lynch, Executive Director, Coalition for Networked Information (CNI)

- What is the policy environment for data citation?
- What infrastructure is available to support data citation?
- What are current attitudes to data citation?
- Benefits and challenges in implementing data citation policies and practice (including economic and financial considerations)?
- Specific items of concern raised at the workshop?
- Other aspects also addressed at the workshop?
- What is the role of the research funding and policy community in data citation practices?

5:15 Summary of Key Actions and Next Steps (George Strawn, Director, Board on Research Data and Information)

5:30 Adjourn
