Before the GA, the Executive Director will prepare Ballot Sheets for the Election to the Executive Committee.

At the GA, the Executive Director and Secretary General will solicit 3-4 ‘Counters’ from among the Observers in attendance at the GA.

By-Law 5 - Voting Procedures (for Elections to the Executive Committee)

5.1 The election of the Officers shall be by secret ballot from names listed on the Official Slate of Candidates. Each voting member shall vote for no more names than there are vacancies to be filled. Any ballot paper not complying will be considered invalid.

5.2 The election of the Ordinary Members shall be by secret ballot from names listed on the Official Slate of Candidates. Each voting member shall vote for the same number of names as there are vacancies to be filled. Any ballot paper not complying will be considered invalid.

5.3.a. a candidate for Officer shall be declared elected who receives more than one-half the valid votes actually cast; absences, failure to vote and abstentions are not taken into account. [Each Delegate may cast one ballot paper during each round of voting.]

5.3.b. Candidates for Ordinary Members shall be selected in descending order of their vote count until all positions are filled and shall be declared elected if their vote count is more than one-half the number of valid ballot papers actually cast. Absences, failure to vote and abstentions are not taken into account. [Each Delegate may cast one ballot paper during each round of voting.]

5.4 If vacancies remain after any ballot, the name of the candidate receiving the least number of votes and the names of the elected candidates shall be removed from the next ballot. This procedure shall be repeated until all vacancies have been filled. If at any time a choice must be made among candidates who have obtained the same number of votes, a separate ballot shall be taken to resolve the tie. Should the tie remain after two consecutive ballots, the President shall have the right to cast the deciding vote.

Voting Procedure for the Selection of Task Groups

Before the GA, the Executive Director and Executive Committee will prepare a ranked list of proposed Task Groups.

Before the GA, the Executive Director will prepare Ballot Sheets for the selection of Task Groups.

By-Law 6 - Relating to Task Groups, Working Groups and Committees

6.9 The ballot for establishing Task Groups, and approving their continuation, will provide for the casting of either a "Yes" or "No" vote for each Task Group. A Task Group must receive more "Yes" votes than "No" votes to be established or to be approved for continuation. Failures to vote for a given Task Group will be ignored in determining majority. Approval does not necessarily imply funding of the proposed budget of the Task Group.
